Mr. Baldwin was assisted in his entertainment by Raymond Babcock Eldred of Norwich, violinist, and William Harris Browning, baritone.

Mr. Eldred delighted the listeners with his violin solos. Traumeri, Mr. Eldred's second number, was highly appreciated and he was recalled to repeat the selection. The fact that the young man is well known here caused the audience to take particular interest in his work. He is surely a very promising violinist.

The violin Mr. Eldred used is a beautiful Guarnerius from the celebrated Mitchell collection in Norwich, being loaned to Mr. Eldred b. Mr. Mitchell for the occasion. It will be interesting to know that it is the same instrument that Leopold Lichtenberg, the renowned violinist, now of New York city, played in Westerly at his concert here in old Armory hall over thirty years ago. Mr. Mitchell purchased the Guarnerius from Mr. Lichtenberg about four years ago. It is valued at \$4,000.

CONTEST IN MONTVILLE OVER LICENSE VOTE. Liable to Result Over a Ballot Which Was Thrown Out.

It is reported that a contest will be made over the license vote cast in Montville on Menday. The town went, according to the declaration by Moderator George Paul Smith, in favor of license by one vote, the vote being 213 for and 212 against license.

The grounds upon which a contest may be based are that one ballot was not counted which, if allowed, would had made the vote a tie. This ticket the moderator disallowed because he decided it was a marked ballot. Both parties, those in favor of license and those against, have consulted with attorneys in regard to the matter.

The ballot over which the contest if it happens will take piace was one for "License, Yes," but whoever deposited it in the ballot box had taken the pains to scribble al lover it with reneil and had apparently written the word "No," or something which looked like it, on the ticket.
